

**REPORT OF THE APLMF
WORKING GROUP ON TRAINING
HELD ON 25 OCTOBER 1998 AT SEOUL, KOREA**

The Working Group met in Seoul on 25 October 1998 and was chaired by Ms Kerry Marston (Australia) and delegates from the following economies attended.

Australia, Canada, Hong Kong China, Indonesia, Japan, Korea, Malaysia, Mongolia, New Zealand, Papua New Guinea, Russia, Chinese Taipei, Thailand, United States of America and Vietnam. Observers from the following international and regional organisations OIML, SALMEC, SWEDAC and WELMEC also attended as observers.

A report of the training activities for 1998 was presented and suggestions for the training program for 1999 discussed.

The Working Group recommended that:

- The train the trainer course for the verification of non-automatic weighing instruments be completed, trialed in the first half of 1999 and run as a full course in the second half of the year.
- An APLMF train the trainer course for the pattern approval and verification of driveway petroleum and LPG dispensers be developed.
- A Regional Directory of Training and a regional network of metrology training providers be developed.
- Use of the Pattern Approval of Non-automatic Weighing Instruments training module be promoted in cooperation with OIML and that further workshops be run as requested.
