1	I think the voice presented was not loud enough for the delegates. It maybe be because of the speakers or microphones.	1/3/2018 9:52 PM
2	I found the seating arrangements a little crowded (little elbow room)	11/21/2017 9:24 AM
3	Since the room set up is U shape, it would be better if the screen in the left and right sides were used instead of only the middle screen. This would be more comfortable for the delegates who sit in the left and right sides	11/20/2017 2:15 PM

1	The outcomes from thsi session were not s useful as had beene xpected. In future the instructions need to be far more specific and and more structured. e.g. list 2 areas where you want APLMF to support your economy in 2018-2020. Then get members to vote on the 2 most important items.	11/20/2017 10:10 PM

#	IF YOU THOUGHT THEY WERE TOO SHORT – HOW MUCH TIME WOULD BE BETTER E.G. 7 MINS – 10 MINS?	DATE
1	7 mins	1/14/2018 11:28 PM
2	The time about 7 mins - 8 mins may be better.	1/9/2018 4:53 PM
3	7 mins would be better	1/9/2018 5:14 AM
4	The time allowed was too short for the presenters. Most of the presentations were completed with less details and some could not be completed. Time should be added so that the audiences are more interested in the posters and ask more questions, and the presenters were able to end their presentations successfully. I think ten-minute is better because each poster represents each economy and there are a lot of things within each economy.	1/3/2018 9:52 PM
5	10 minutes.	12/28/2017 3:37 PM
6	10 minutes would be sufficient to allow even the presenting economy to seek ideas or advice from other economies who are in audience	12/21/2017 12:49 PM
7	10 minutes	11/21/2017 9:24 AM
8	Each person should have 10 minutes each 5 for presentation and 5 for questions.	11/20/2017 10:10 PM
9	10 mins	11/20/2017 7:56 PM
10	Yes. 7 minutes - 10 minutes will be better.	11/20/2017 6:54 PM
11	Less than 10 mins, 5 mins is too short	11/20/2017 5:58 PM
12	7 to 10 minutes would be great	11/20/2017 4:27 PM
13	10 minutes would be enough	11/20/2017 2:15 PM

## Q14 If you have any other comments or observations about the meetings please summarise.

Answered: 12 Skipped: 11

#	RESPONSES	DATE
1	I agree with all mentioned statements and just recommend the length of time at each Economy Poster Session should be about 7 mins.	1/14/2018 11:28 PM
2	Seen from Switzerland, a country not belonging to Asia Pacific countries, this Meeting was highly informative and helpful for all participating countries.	1/9/2018 5:16 AM
3	I have noted that the president of the APLMF led the meeting well. It would be even better if there is a Master of Ceremony who is in charge of some additional activities of the meeting such as the opening ceremony, welcome dinner, farewell dinner, etc. More importantly, the speakers and microphones must be of good quality since they control the outcome of the meeting. If the delegates of the meeting cannot hear clearly, the information might be interpreted differently. Anyway, I would like to sincerely thank APLMF for organizing this important meeting and provide support to many training courses so far to the officials who are in charge of legal metrology work. Once again, thanks!	1/3/2018 10:11 PM
4	The meeting arrangements and the social events are excellent, but I would expect members from the developing economies to speak up and get more involved in the proceedings and in the future.	1/2/2018 7:41 PM
5	Economy Poster Sessions should be 10 minutes for both present and answer the questions.	12/28/2017 3:38 PM
6	I really appreciate your assistance. And, this is a successful meeting.	12/21/2017 8:01 PM
7	It was well organized. But we need more time to discuss many pending issues of APLMF (membership, fees, WG structure and decision making). The former meetings did not address these issues sufficiently.	11/27/2017 10:11 PM
8	I think the poster sessions were excellent but, as indicated earlier in the survey, more time should be allowed for each session, recognizing time restraints and the fact it is difficult time wise to be able to answer all of the questions in a very short period of time.	11/21/2017 9:27 AM
9	excellent preparation and hosting the meeting! Thank you to the organizers and Secretariat!	11/20/2017 7:58 PM
10	Every year, the meetings have been upgraded and getting easier to attend and communicate with other economies. Thanks to New Zealand.	11/20/2017 6:00 PM
11	Thinking about the MEDEA Project, I think it would be useful if we can conduct a joint activity between APMP and APLMF so we can see the link of both forums	11/20/2017 2:18 PM
12	Resolution options require more interaction before the meeting	11/20/2017 12:37 PM
