## 2014-2015 Work Items

Working Group on Mutual Recognition Arrangements seeks to:

1. Continue supporting the OIML work on implementation of the MAA (Mutual Acceptance Arrangement) and not develop a regional MAA;
2. Closely follow the work of the OIML ad-hoc working group that is reviewing the structure of the OIML Committees on Participation Review (CPRs), the rules and procedures governing the operation of the OIML MAA, and the role of MAA Utilizing Participants -- with a view to increasing the efficiency of the operation of the MAA, and, if necessary, amending the OIML MAA documents.
