e-Learning Platform

OIML learning platform

The screenshot displays the OIML learning platform interface. At the top, a navigation bar shows a home icon and the text "Legal Metrology in detail". Below this, a section titled "Legal Metrology in detail" contains four circular icons: an open book with a keyboard, a person at a podium with an audience, a document with a pencil, and a graduation cap over a globe. These icons correspond to the labels "Course Learning Guide", "Course Discussion Forum", "Final test", and "Course Certificate".

Below the first section is a section titled "Course Modules" containing seven circular icons. The first row includes: a desk lamp over books, a computer monitor with a document, an open book with a keyboard, and an open book with a magnifying glass. The second row includes: a laptop with books, a laptop with a globe and an 'e', and hands holding an open book. These icons correspond to the labels "Basic concepts of Legal Metrology", "Legal Metrology in a Nutshell", "Examples of regulation of metrology from European and other countries", "Metrology and Trade", "Metrology and Statistics", "OIML Certificate System and engagement with the OIML and RLMOs", and "Control of measurements".

Is this your first time here?

Hi! For full access to courses you'll need to take a minute to create a new account for yourself on this web site.

Here are the steps:

1. Fill out the New Account form with your details.
2. An email will be immediately sent to your email address.
3. Read your email, and click on the web link it contains.
4. Your account will be confirmed and you will be logged in.
5. Now, select the course you want to participate in.
6. You can now access the full course. From now on you will only need to enter your personal username and password (in the form on this page) to log in and access any course you have enrolled in.
